## QUESTIONS FOR MR. BUSH

Questions by BenFrank.net

- 1. Why did the Chief of British Intelligence think that 'war was inevitable' after meetings in DC, July 2002?*
- 2. In March of 2003 just before the war, the head of the IAEA declared that the Niger documents were crude forgeries, why did you force the invasion soon after that revelation, why didn't you allow the inspectors to continue?*
- 3. Why didn't you and your advisors realize these were crude forgeries long before you warned us about mushroom clouds?*
- 4. In July of 2003 you said we invaded, "because he [Saddam] wouldn't let the inspectors in." What did you mean by that?*
- 5. From a soldier's point of view, how are stop loss orders a good thing?*
- 6. Veterans Healthcare is underfunded, recently returned from Iraq Vets have to wait months for care- why?*
- 7. Even while our soldiers can't get the care they need, Halliburton was just caught stealing over \$1 billion dollars- money that could have gone to our troops or many other pressing needs- Why is this acceptable with you?*
- 8. Why didn't you order an investigation into the missing \$9 billion of Iraqi oil and US taxpayer money?*
- 9. What is Depleted Uranium?*
- 10. Will you send your daughters to Iraq?*
